

The Salvation Army

The Salvation Army is an international Christian movement, united by faith and giving hope where it's needed most. Across Australia – in cities, country towns and rural communities – their work touches every demographic and age group. They're involved in national issues while also bringing hope to people who may be experiencing hardship or injustice.

Our team dropped off roughly 1,250 bars to The Salvation Army to help keep our fellow Australians clean and healthy over the holidays and into the new year.

We love what the Salvos do and are strongly committed to supporting them with the best quality soap Australia has to offer.
