

3. AUSTRALIAN BOTANICALS

The family behind Australian Botanicals are taking things back to basics, while keeping their focus on using the purest, highest quality local ingredients. These plant oil soap bars are suitable for all skin types and are triple milled to ensure longer lasting suds and a thick lather. Despite the hoards of skincare companies racing to reinvent the wheel, the Apperley family know there is always a place for a chunky bar of soap in every Aussie bathroom.

A BAKERY IN A BAKERY

We all love perusing the shelves at the local bakery, inhaling the intoxicating smell of freshly baked goods. Imagine a pet-friendly equivalent, and how happy a special treat would make your four-legged friend! Cosentino Dog Bakery has been creating fun, delicious and healthy treats for dogs and other pets since 2008. The two storefronts, 21...
